Modern Day Game Cards (Official)

Print your own Modern Day playing cards at home.

Instructions

1. Take out a piece of paper for printing. Less flimsy paper with A4 size is recommended.
2. Print out the card templates.
3. Cut along the thin borders surrounding each card.
   (steps 4 and onward are optional)
4. Print out as many copies of the back side (labeled “back”) as possible.
5. Repeat step 3 for the back side, and attach them to the back of each card.
